50 Smith Rd.

Oxford Station, Ontario K0G 1T0

OBJECTIVE

I am looking for employment as a developer in an environment where I can apply and expand on the skills and experience I have gained while attending Carleton University's Coding Boot Camp. This is a career change that I have decided to make after discovering a passion for developing user-friendly technologies.

SKILLS

- Strong organizational, project management, interpersonal and communication skills
- Self-motivated, driven, collaborative, and a team builder

EDUCATION

Carleton University: 2021 – Full Stack Developer Coding Bootcamp

Algonquin College: 2011 - Carpentry

Carleton University: 1999 to 2001

Browser Based Technologies: <ul style="list-style-type: none">• HTML• CSS• JavaScript• jQuery• Responsive Design• Bootstrap• Handlebars• Local Storage, Session Storage, IndexedDB• React.js		Server-Side Development: <ul style="list-style-type: none">• Node.js• Express• User Authentication• Progressive Web Applications (PWAs)• MERN Stack (MongoDB, Express.js, React.js, Node.js)
Computer Science: <ul style="list-style-type: none">• Algorithms (Searches, Sorts)• Efficiency• Time Complexity• Big O Notation• Data Structure		Deployment/Command-Line Fundamentals: <ul style="list-style-type: none">• Heroku• Git• GitHub Pages
API Interactions: <ul style="list-style-type: none">• API• JSON• AJAX		Quality Assurance: <ul style="list-style-type: none">• Unit Testing• Functional Testing• Linting• Continuous Integration/Deployment
Databases: <ul style="list-style-type: none">• MySQL• MongoDB		

EMPLOYMENT HISTORY

Local 93

February 2008 – Present

Carpenter

I have worked since 2008 with the Carpenters Union Local 93. As an employee of Local 93, I have had the opportunity to work on various projects including:

- East Block Rehabilitation (Parliament Hill)
- West Block Rehabilitation (Parliament Hill)
- National Arts Center Rejuvenation
- RCMP Headquarters
- Royal Canadian Mint
- Ottawa University

Throughout my time with Local 93 I have had the opportunity to work in various positions with a number of local companies including the following:

Tower Scaffold Services Inc.

June 2019 to Present

General Carpenter

In this position I am responsible for completing various projects at East Block on Parliament Hill. My responsibilities include:

- Maintaining project schedules
- Estimating and planning (time, material and resources)
- Managing change requests
- Leading teams, and training employees
- Performing quality control
- Coordinating schedules and working with other trades

Newtech Installation Inc.

January 2018 to October 2018

General Carpenter

In this position I was responsible for managing small teams of carpenters to interpret blueprints, install and repair cabinetry, millwork, and paneling in various interior rooms within West Block at Parliament Hill including the House of Commons.

ACTT Installation Inc.

November 2017 to January 2018

General Carpenter

In this position I was responsible for managing small teams of carpenters tasked with installing and setting up lecture halls at Ottawa University.

Mackie Homes

May 2017 to November 2017

General Carpenter

In this position I was responsible for new home builds. My projects included framing, roof and floor system installations, and window and door installations.

PCL Constructors Canada Inc.

August 2013 to May 2017

General Carpenter

In this position I was primarily responsible for maintaining a safe workplace above and beyond industry safety codes and standards (Ontario Occupational Health & Safety Act).

Aluma System*July 2011 to August 2013**General Carpenter / Foreman*

In this position I was responsible for managing various teams and projects. This included maintaining schedules, estimating, and managing resources.

Bodes Custom Cabinets*September 2008 to June 2011**Finishing Carpenter*

In this position I worked on various projects installing custom cabinets, trim, paneling, doors, and hardware.

Pancor*June 2008 to September 2008**Carpenter apprentice*

In this position I worked on retail store projects where I was responsible for installing store fixtures, cash desks, storefront signs, storefront display glass, flooring, changerooms, trim and paneling.

Jay Dee Construction**November 2006 – February 2008***Carpenter apprentice*

In this position I worked on renovations and additions, custom builds, and church constructions. This included drywall and mudding, framing, installation of trim and crown molding, door and hardware installation, installation of kitchen counters and cabinets, and formwork.

Kelly Family Carpentry**2000-Present***Carpenter*

As a small business owner/operator I have had the opportunity to work on a wide range of projects. The services I offer include:

- Residential additions, decks, and fences
- Custom cabinets, closets, and furnishings
- Installation and repair of doors, windows, hardware, and flooring
- Kitchen, basement, and bathroom renovations
- Formwork and footings
- Repair and restoration of antique furniture

VOLUNTEER WORK
